Notes from the Nurse

- **Reminder for our 5th Grade Parents/Guardians:** Tdap vaccine is required for all students age 11 or older entering grade 6. Students who are 10 years old in grade 6 and who have not yet received a Tdap vaccine are in compliance until they turn 11 years old.
- It's the time of the year to stay hydrated – please send your student to school with a refillable water bottle daily!
- Remind your student to take a look in the Lost and Found located at the back of the Cafeteria or on tables in the main hallway for any lost items!!
- Remember to request a copy of your student's annual physical to send in to school to keep their health chart up to date.

Note From Principal

As the year comes to a close and we reflect on all of the amazing experiences from this year from a new playground, to learning to stop bullying by becoming "Sweethearts and Heroes," our community has grown together. Our learners tackled so many challenges academically, too! The past few days they are proudly sharing how much they've grown in their reading levels, and all of the math skills they've learned. This month is full of field trips, field days, carnivals, picnics, moving up celebrations, and ABC countdown fun to wrap up an amazing year.

We look forward to seeing all of the students who will be joining us in our Summer Enrichment program July-August, and wish the rest of you a very safe, happy summer. Keep reading, and we will see you in September.

Sincerely,
Mrs. Polikoski

EPTSO Corner June 2023

Events- EPTSO is hosting the third annual Carnival on June 21st from 6-8pm. All elementary families are invited to attend, all for FREE. There will be fun and games, a fire truck, music plus free hot dogs, cotton candy, popcorn, and new this year-snow cones! We hope you all can make it! Still time to volunteer:

<https://www.signupgenius.com/go/10C094AAFAE2CA3F9C25-49028891-elementary>

Parents- This month the EPTSO will sponsor the Kindergarten graduation celebration and fund field trips to the Adirondack Animal Land, the Farmer's Museum, Howe Caverns, Empire State Aerosciences Museum, the Huyck Preserve and the Dutch Apple Cruise in Albany. We couldn't do all this without your support, thank you!

Teachers- We hope you enjoyed the catered luncheon during Teacher Appreciation week in May. Thank you for your hard work all year long and thank you to all of the parents who contributed to the meal.

Students- Don't forget to check out the Little Free Library at school. There are books for all readers. Be on the lookout for special giveaways! Have specific genre or author requests? Parents can reach out with them to our email schoharieeptso@gmail.com.

Organization- New officers were voted in in May! A special thank you to those who served prior. You too can join the EPTSO and be a part of the fun! Meetings are announced via School Messenger, so check your email for notifications. You can also find us on Facebook.
